RULES:

- 1.) Refer to: a.) General Rules, Home Arts Rules.
- 2.) All entries must have been grown by the exhibitor in the past year.
- 3.) In order to have an attractive display at all times during the fair, all entries of a perishable nature will be entered and judged on two separate occasions. Please pay careful attention to specific entry and release times of exhibits you are entering.
- 4.) For honey entries please refer to the following rules:
 - A) All honey and beeswax must be produced by the exhibitor within the 12 month period prior to entry.
 - B) An entry consist of a single, plain block of pure, unbleached beeswax, weighing a minimum of one (1) pound.
 - C) Containers: Extracted Honey – only 1 pound traditional glass or plastic honey containers are allowed; Comb Honey – in a section window carton, plastic round, or a clear plastic cut comb box; Chunk Honey – any glass jar holding at least 1 pound.
 - D) Judging is based upon the following criteria: Extracted Honey – density, freedom from crystals, cleanliness, absent of fermentation, flavor and container appearance; Comb Honey – appropriate weight, uniformity in color and thickness of comb, cleanliness, absence of uncapped cells and watery cappings, plus freedom from granulation and pollen; Chunk Honey – refer to Extracted Honey and Comb Honey and also parallel, uniform, firm-sided cuts, and absence of ragged edges and wax flakes.
- 5.) All entries for the first exhibit should be on one form. Please help us streamline our processing by minimizing the number of forms you use. Each entry does not need a new form. For the second exhibit please fill out a new registration form.
